Indiana Pagan Homeschoolers List

A list for Pagans, Wiccans, Heathens, and Earth Spiritualists who homeschool or unschool their children in the state of Indiana. Topics may include (but are not limited to) all things pertaining to homeschooling, religion, parenting, and most any other subject of interest to our members. Off topic posts are encouraged, but please keep *all* posts respectful.

Parents who send their children to public or private school and supplement their education after school and on weekends/holidays (aka "afterschoolers") are welcome as well, as are homeschoolers from other states, but we ask that at least one member of any family wishing to participate on this list be Pagan, Wiccan etc. or be considering an Earth based path. <http://groups.yahoo.com/group/INPaganHS/>

Indiana Unschoolers List

A group for relaxed educators to share ideas, ask questions and find like-minded families. Feel free to come and join the roller coaster of unschooling!
